

To give you the best chance to succeed in IELTS, we have several practical books available to order from our office.

Common Mistakes at IELTS... and how to avoid them Now with Testbank: authentic examination papers online

Get it right for IELTS Academic or General Training – official practice for the exam! Based on analysis of over 10,000 exam papers, this book helps you avoid the most common mistakes made by real learners. It includes an access code for four authentic **online practice tests** for IELTS Academic or General Training. Use 'Practice mode' for learning or 'Test mode' for exam conditions and get instant results for Listening and Reading. Get realistic Speaking practice with a timed video simulation. Academic and General Training are both available at intermediate and advanced levels.

The Official Cambridge Guide to IELTS - 2014

Skill-building exercises cover all of the question types in the exam for both the General Training and Academic Modules. Research into real IELTS candidates' exam answers - and the mistakes they make, helps you avoid the same ones! Eight official practice tests and a focus on test-taking strategy help you maximise your score. The DVD-ROM includes videos of the Speaking test, and all the listening material, including the tests, as MP3 files

Official IELTS Practice Materials Volume 1 and Volume 2

These materials help you understand the format of the test and the types of questions. Both books have sample questions and answer keys for each part of the test, including a CD or DVD for Listening and Speaking. Students can practice their skills and then use the answers and Examiner comments to help them further improve.

Top Tips for IELTS General Training and Academic

These revision guides provide you with essential advice ('tips') for each part of the test and include clear examples and explanations, general tips for best approaching each component of the test and help with revision and preparation for the day of the test. A complete real IELTS practice test for candidates to try (including a Listening test and a video of a speaking test) means that students know what to expect when they take each paper.

Vocabulary for IELTS

Written for people who are aiming for a band score of approximately 6 to 7, this exercise book presents and practises the vocabulary needed for this level of English. The exercises are designed to challenge while eliciting both new and already known words and expressions and put them into the context of typical IELTS topics. At the end of each unit there is an IELTS style question type which uses the vocabulary you've just learnt while giving you a chance to do some test practice and strategy building. By the end of the book, if you've done every unit, you will have completed a whole test and learnt lots of new words and expressions on the way. Available at intermediate and advanced levels.

Grammar for IELTS

This exercise book presents and practises the grammatical structures in English which are useful to know to get a good band score in the IELTS test. The exercises are designed to revise and present both new and already known structures and put them into the context of typical IELTS topics. At the end of each unit there is an IELTS style question type which uses the grammar you've just learnt while giving you a chance to do some test practice and strategy building. By the end of the book, if you've done every unit, you will have completed a whole test and practised and learnt many new structures on the way.
